RE: WASTE MANAGEMENT'S RECENT RESIDENTIAL SERVICE MAILING

Dear Plainfield Township Resident:

Our company recently mailed you a solicitation for residential waste and recycling service. Due to the nature of mailing lists and oversights on our part, this solicitation was sent to you by accident and we apologize for any inconvenience this caused you.

One of our competitors, J.P. Mascaro, services your home through its contract with Plainfield Township.

Waste Management is thankful for your understanding and wishes you a happy holiday season and a healthy and successful New Year.

Sincerely,

A handwritten signature in black ink that reads "Anthony Wright". The signature is written in a cursive, flowing style.
